NO-INTEREST LOAN APPLICATION

Applications will be considered on the basis of conservation need and resource benefit. Loan Program funds will be used to develop conservation practices and systems as part of a conservation plan to benefit agricultural land located within the boundaries of the Rosebud Conservation District.

Practices MUST be installed according to NRCS Standards and Specifications.

Loans will be secured by mortgages on real property.

Applicants are required to attend the Conservation District Board meeting when the loan request is considered. Applicants will be notified of the action taken by the Rosebud Conservation District Board of Supervisors. If the loan is approved, instructions regarding loan closing will be provided at that time.
