Administrator Report: in your packet

Admin assistant report: in your packet

Outreach & Education:

*Working on ordering everything needed for the sandbox and plan to have it in schools by the end of September for test runs.

*there are other grant opportunities for hoop house, community garden and pollinators plantings. Visiting with NRCS there may also be another round of funding next year for these projects.

Meeting Schedule:

November 1, 2018

Loans:

310- Permit Applications:

Roger Lothspeich through Terracon is applying for a stabilization project on the Yellowstone near Hathaway. He had a dike that washed out along with the road and now into the fields with pivot on them.

Kim Nile 310 application for Stabilization on the Yellowstone

Tim Davis-work on the Yellowstone banks repairing dike, have not received his application yet.

Helen Woods on the Tongue river. Barbs and stabilization- in your meeting packet

Reserved Water:

New Business:

Conservationist of the year:

The RCD is also hosting the banquet this year.

ARC GIS training for Bobbi & Monica-

NRCS does have the programs but have not provided it to districts over the years. With Jeff as the only NRCS employee in the office, producers have had to wait for him to get maps. If we could print maps and have the training for the program it would help Jeff.

Reg Hoff Memorial Scholarship:

ROSEBUD CONSERVATION DISTRICT MEETING AGENDA

October 4, 2018

7:00 PM

USDA Service Center, 270 S. Prospect, Forsyth, MT 59327

His family is currently in Washington DC accepting a Reclamation Award that Reg was awarded shortly before passing. Bobbi has been asked to call later in the next week to visit with Lana. His girls are sharing the news with her and are very honored. Details will come following the Oct. meeting.

Forestry Programs:

FIF 17 Payments are going out and project finishing up. Deadline December 31, 2018.

WUI 2019- we made the state level and our application is going to be presented at the regional level. Bobbi is working with Andy Miller and the DNRC Forestry Division office in Missoula and refining the application to make it more appealing to reviewers.

There is a small pot of funds from DNRC in Helena to assist landowners who have been impacted by the 2017 & 2018 Fire seasons.

AIS~ Aquatic Invasive Species:

Monica will update.

Augmented Reality Sandbox:

Ordering supplies and working with other cds on the projects

Soil Health Initiative:

No-Till Drill:

Still busy

Newsletter:

Monica-starting a cd spotlight, first spotlight on Gloria Menke who is retiring from Big Horn CD after 40+ years of service.

MACD DUES:

MACD denied our request for exception on the remainder of our dues. They have requested the remainder of our dues if we want to have a vote in the MACD business. Email is in your packet.

NRCS: Kathy Knobloch~

YRCDC: Don Youngbauer:

Wildlife Ramps & Forsyth FFA:

How can we work with the Forsyth FFA to help them benefit from the ramps and we assist with the ordering process?

Bobbi has visited with Jan and she said that they are very interested, but that if we could provide the materials and pay them for putting the ramps together that would work best. Thoughts and ideas are appreciated.

Filling vacancy on the board:

Rocky Schwagler has expressed interest in being on the board as an urban supervisor. We would fill Reg's position with Jason and send a recommendation to the city of Colstrip to appoint Rocky.

Bring nominations to the meeting.

Upcoming Events:

~Area \$ meeting in Roundup on September 17, 2018

~September 19 YRCDC Regional Open house at the Rosebud County Library @ 6pm. YRCDC has requested that the district host the dinner prior to the event.

~Monica regularly updates the Calendar and list of events on the cd website~
