

## November 2014 Administrator Report

The Conservation Connection Newsletter has been sent off and should be in mailboxes the first week of November. We have had lots of changes in the Forsyth office recently. I worked with Rocky, Kami and Elena Evans from MACD to fill the open position in our office. Brad Saur was the successful candidate and he is working with Rocky and MACD to line things out.

Reserved Water reports are out and we have received a few back in the office. The quarterly report is due the first week of December and is already completed.

No- Interest loan billings will be mailed out on November 15<sup>th</sup>. We have \$93,975.57 in payments due this year.

I have started two HB 223 grant applications that are due January 15, 2015. One for the December 2015 Soil Health Workshop and the other for the Montana Youth Range Camp in December 2015.

I have spoken with several people regarding the Soil Health Work shop, I plan to have the draft agenda ready by the end of the year. Dates are December 1-3<sup>rd</sup>. We will start with a dinner and Don Huber the afternoon and evening of the 1<sup>st</sup> and then two full days of presentations.

The quarterly report for the Forestry program is complete. The next report is due January 15<sup>th</sup>. The program ends June 30, 2015.
