Monthly reports:

MACD has agreed to provide all districts with a copy of their monthly reports and financials. You will be provided a copy at the meeting and in the future will be mailed with meeting packets when possible.

Area IV Meeting:

Hosted by Upper Musselshell in Harlowton on September 22, 2017.

ROSEBUD CONSERVATION DISTRICT MEETING AGENDA

August 3, 2017

7:00 PM

USDA Service Center, 270 S. Prospect, Forsyth, MT 59327

CDs affected by the Fires:

How can we offer assistance to cd's that have been affected by this year's fire season? Monica suggest ordering a bunch of trees and delivering trees to be distributed. Any suggestions are welcome.

Hats/coats:

Stiches for you in Miles City has agreed to set up an account with the cd so that supervisors who would like a new coat and order the size and style that works best for you. You can also order through Monica myself, or stop in the store in Miles city. They still have the template that Carolyn's used for our hats and coats previously. We can keep this design or design something new. There are many options, there will be a few printed out for the meeting.

Display/flyers:

3D printing in Colstrip has very good prices on displays and banners. We are working on a district banner, and an area banner. What would you like to see on the banner?

Supervisor Summit: hosted by Cascade CD in Great Falls- flyer is in your packet. Cascade is working on scholarships to help cover the costs for cd's. This is a great opportunity for new and seasoned supervisors and staff.

New projects the district may be interested in working on:

AG Expo in Hysham with Treasure CD

Recycling programs-

If you have any ideas or thoughts on programs, please bring them to the meeting.

Track filler:

Alan will check on more information

RCD Local Soil Health Tour:

Rocky will confirm the date, but looking at September 8th. We will need to work out the timeline and schedule.

Soil Health Bus Tour: we sent letters out a few producers, so far we don't have any that can attend because of the date of the event. We do have extra funding for more than two people to attend through a grant held by McCone Conservation District.

Forestry Grants:

Ready go! Currently 3 producers lined up to apply, still room for more if you know anyone who may be interested.

Soil Health Initiative:

Yablonski

No-Till Drill:

Ordered with markers and open close valve. Delivery date to Miles City is scheduled for January 27th. Purchase order is in your packet.

Newsletter: If you have anything you would like to add to the newsletter let Monica know by the second week of August so that she can get it to print.

NRCS: Rocky Schwagler:

YRCDC: Don Youngbauer:
